

LEGAL NOTICE

STATE OF LOUISIANA, OFFICE OF CONSERVATION, BATON ROUGE, LOUISIANA.

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Hearing Room, 1st Floor, LaSalle Building, 617 North 3rd Street, Baton Rouge, Louisiana, at 9:00 a.m. on **TUESDAY, FEBRUARY 19, 2008**, upon the application of **HILLIARD PETROLEUM, INC.**

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of Orders pertaining to the following matters relating to the **Camerina Zone, Reservoir A and the Marginulina 1 Sand, Reservoir B**, in the Midland Field, Acadia Parish, Louisiana.

1. To establish rules and regulations and create a drilling and production unit for the exploration for and production of gas and condensate from the Camerina Zone, Reservoir A.
2. To establish rules and regulations and create a drilling and production unit for the exploration for and production of gas and condensate from the Marginulina 1 Sand, Reservoir B.
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units with each tract sharing in unit production on a surface acre basis of participation.
4. To designate Hilliard Petroleum, Inc., operator of the proposed unit.
5. To provide that any future wells drilled to the units proposed herein should be located in accordance with the spacing provisions of Statewide Order No. 29-E.
6. To authorize the Commissioner of Conservation to reclassify the reservoirs by Supplemental Order without the necessity of a public hearing if the producing characteristics of the reservoirs change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
7. To consider such other matters as may be pertinent.

The Camerina Zone, Reservoir A is hereby defined as that interval productive of gas and condensate between the electrical log depths of 10,640' and 11,370' in the O.I.L. Energy, Inc.-Hoyt No. 1 Well, located in Section 47, Township 10 South, Range 1 West.

The Marginulina 1 Sand, Reservoir A was previously defined by Office of Conservation Order No. 210-S, effective May 2, 1978, and is hereby further defined as being that interval productive of gas and condensate between the electrical log depths of 10,168' and 10,200' in the O.I.L. Energy, Inc.-Hoyt No. 1 Well, located in Section 47, Township 10 South, Range 1 West.

Plats are available for inspection in the Office of Conservation in **Baton Rouge and Lafayette**, Louisiana.
